Our College Success Workshop will provide
student veterans with instruction on:

- general study skills
- strategies for successful notetaking
- class preparation
- time management
- methods to quickly and efficiently analyze
complex academic texts

The workshop is taught by student veteran peer
mentors who are alumni of WSP boot camps.

Lunch and coffee will be served. Please be prepared
to follow CDC COVID guidelines while on site. If you
have questions, please contact Tina Salisbury
at tsalisbury@combinedarms.us or 830-305-6645.

Warrior-Scholar Project provides intensive, immersive, one and two-week college-preparatory academic boot camps at America's top universities to veterans and active duty service members. These academic boot camps are offered at no cost. Since 2011, WSP has served over 1,400 veterans and service members and currently partners with 21 of the top colleges and universities in the country.
