“Focusing on pursuing and achieving tactical and strategic objectives to help SD/VOBs.”

We honor Military and Veteran Service Organizations that have partnered with us to demonstrate a systematic commitment to improving the opportunities for service disabled and veteran owned businesses, their families and their communities.

MISSION
The primary role of the NVBDC Military and Veteran Organization Task Force is to focus on pursuing and achieving tactical and strategic objectives by partnering with organizations having equal goals to help Veteran Businesses.

ENGAGEMENT
The NVBDC Military and Veteran Organization Task Force Director will engage, build, and lead the task force to extend the reach and understanding of corporate certification standards for the NVBDC program.

VISION
Our aim is to work with the MSD/VSO’s economic development leaders to identify their Veteran business owner members and provide them with information about NVBDC and the importance of certification.
